

July 2018

Dear Parent/Carer

Changes to Year 11 CO2019

As your son/daughter approaches their final year of their studies at Cooperative Academy Failsworth it is important that they have the focus and drive towards their GCSE's. The students have been informed of some distinct changes to the Year Team which will help staff work really closely with the year group.

The year is split into F and W populations, there will be four members of staff working closely to drive the CO2019 towards their goals. It is important that the relevant members of staff are contacted in order to make sure any queries both academically and pastorally are dealt with as soon as possible.

We are a cohesive team and there will be times when students will need specific interventions or packages. As stated below Mr Rouse and Mrs Conroy will be working on F population, Miss Reece and Mr Lowe working on the W population. Although there will be obvious cross overs, please make sure you become familiar with staff so that there are no communication issues. All staff are available on the school e mail system and are very much looking forward to supporting your child.

Can we also please take this opportunity to remind parents and students that the Year 11 timetable will include a period 6. This is a bespoke lesson which is tailored to help your child achieve the best possible outcome in certain subjects. This lesson is a legal requirement of school and their timetable and will be treated as such, any unaccounted absences will be classed as truanting. The period 6 was a huge success last year with many students thriving in their personal environments and enjoying the interventions set.

If you have any queries about this letter please don't hesitate to contact the Year 11 Team

Yours sincerely

The CO2019 Year 11 Team
