CAR PARKING

A reminder of the letter sent in November 2017 re the installation of a barrier across the bottom of the access road to the visitors car park. Please do not park on the double yellow lines and the road hump, especially in the mornings as this causes a backlog of cars onto Ashton Road East. Can I also ask parents not to park in Brierfields opposite the barrier as this is private land and needs to be kept clear for emergency vehicle access.

Parents can drop off/collect their son/daughter from Failsworth Sports Campus, just a few yards further down the road. The Soccer Centre has a large car park and it is our preferred option in order to keep students safe as 1500 students leave the academy site at the end of the day.

If your son/daughter has a particular medical issue please let us know and we will accommodate pick up requests. Please see the map below which shows the location of the pickup point.

The barrier will close approximately 20 minutes before the end of the day and re-open 10 minutes after the bell
