8th Floor, Angel Square,  
Manchester, M60 0AG

Parents/carers,

## £20 Co-op Vouchers

Now that the academy has closed we want to support those students who currently receive free school meals during term time by providing Co-op gift vouchers to buy lunches. This support will continue to be provided whilst your academy is closed when it would usually be open.

We have provided one voucher per student on free school meals.

The gift voucher has a value of £20. Vouchers can be spent in any of our Co-op stores against grocery items, you can find your local store here: <https://finder.coop.co.uk/food>

A meal deal for each day is £3.50, there is an additional £2.50 left to spend.

These vouchers cannot be used against tobacco, alcohol and baby milk. Stores have been informed that they are only to be used against groceries.

Our systems will monitor these cards remotely and reload them each week on a Monday with £20. If alcohol or tobacco has been purchased on the card this will trigger our system and the card will not be reloaded, it will be cancelled.

If you have any issues with your card you should speak to your academy. Please keep hold of your card, and return to your academy when requested.

Best wishes,

Co-op Academies Trust
