March 2020

Dear Parents / Carers,

I am writing to inform you that all home learning is now live on Classcharts for Year 7- 10 for the remainder of the week.

Students should follow their normal timetable each day, spending the duration of that period completing the tasks that have been set by teaching team.

Please alert us immediately if you are unable to access Class Charts via [info@failsworth.coop](mailto:info@failsworth.coop) with the heading Class Charts issues. Please provide the student name and your contact details so we can verify this and support you. This work will allow curriculum continuity so students are not disadvantaged by the Academy closure.

Whilst this is not an ideal replacement for the Academy being open I hope you can see we are trying to ensure that our Year 7-10 students are not disadvantaged compared to other closed school settings.

Yours sincerely
